P.C.

. The petitioners were served with notice to shift to pitch by order dated 28th September, 2000. It is this order which is the subject matter of the present petition. There was no interim relief. Six years have passed till then. Hence question of this Court interfering at this stage would not arise. If the petitioners have any fresh cause of action it will be open to them to pursue the remedy that they may have at law. With the above observation, petition disposed of.
